Willow / Wicker

Locally grown and hand crafted willow coffins made by Musgrove Willows. Each willow coffin is woven with willow from their Somerset farm. A range of colours and finishes are available.

Banana Leaf

Traditionally woven using dried banana leaves twisted into long yarns, creating a golden-brown, textured, and durable finish, with an inner wooden frame.

Water Hyacinth

The harvested leaves of the water hyacinth plant are woven around a wooden frame to create a beautiful, natural appearance.

Bamboo

This elegant coffin is crafted using bamboo, wrapped around a wooden frame, creating a refined appearance and a sustainable option.

Brown Cardboard

Expertly crafted to ensure structural integrity, our cardboard coffins are a sustainable choice, without compromising the traditional feel of a wooden coffin. Options available in brown or white.

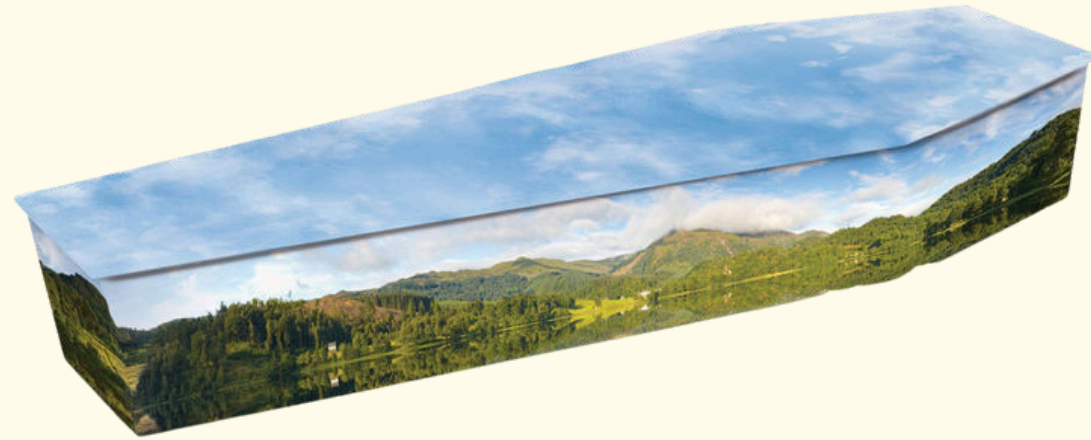

White Cardboard

Expertly crafted to ensure structural integrity, our cardboard coffins are a sustainable choice, without compromising the traditional feel of a wooden coffin. Options available in brown or white.

Natural Legacy Woollen (White or Blue)

The tightly woven outer layer is wrapped around a cardboard and wooden frame, resulting in a truly unique coffin, speaking both to sustainability and the natural world.
